Care Packages: Parents can send a care package to their child. Woodland Camp has a service to purchase care packages. Here is the website address: https://woodlandchristiancamp.square.site/

- **Unlabeled items left at camp will be left at camp!!!! No lost and found will be brought back to the church.

Preparing Your Child for Camp

- **Review the confirmation packet:** You and your child should go over the appropriate information which includes the rules, Woodland Camp form, and what to bring list. Talk about camp policy and the arrival and departure times for your camp. Make sure your camper is aware of who will pick them up from camp.

- **Review the Bible Study and Purpose of Camp:** Show your child the Bible study theme, scripture, and lessons they will learn at camp. Talk to them about what God has instore for them. Ask them what they want God to teach them at camp. Discuss the fun activities they will do. What is something new they want to learn? Pray with your child about God working in their life at camp.

- **Talk about clothes:** Involve your child in selecting clothes. Do the packing together so that your child is aware of what is in the suitcase. It is helpful to mark clothing with your child's name. Also, consider putting clothes in large Ziplock bags marking the bag for what day to wear. Have a bag where kids can put their dirty clothes in.

- **Practice How to Shower/Bath/& Have Good Hygiene:** Get your child a shower caddy from dollar store. Place inside the caddy shampoo/body soap/toothpaste/ shower loofah/ toothbrush/ deodorant and other items your child needs. Get your child some flip flops they can wear in the shower. Review and practice how to take a shower. There is an individual private changing stall with a chair where child can hang towel and change out of and into clothes. The child then steps into the private shower. They will dry off and dress in the private stall. Make sure child claims all clothing they have taken off and take caddy back to room. Teach them to look around and check so they don't leave anything behind. Kids always leave socks and undergarments.

- **Sidestep the separation:** Please do not suggest to your child that he/she can call home if they get homesick. This is a statement a child never forgets. Woodland discourages children from using the phone. If a parent needs to be involved with a homesick child, the camp staff will make the call. Do not highlight a conversation about homesickness in your preparations. If it happens, the camp staff will work with the child.

Frequently Asked Questions

Why do I have to pay to send Bunk Notes (one-way email)? Each morning, the Bunk Notes system bundles and sorts the messages for us to print out and distribute to campers. It also protects us from computer viruses and allows us to easily manage these emails. Your payment helps us cover the cost of the system, paper, ink, and labor and, more importantly, frees us to do what we do best – be with your kids!

Can other relatives use these services? Absolutely! As soon as you login, you will notice a button under the heading "Quick Links" to "Invite Family Members". Click that button, enter their details, and they will be sent an email. PLEASE NOTE: This will prompt them to set up their own account. It does not provide them access to your account OR your Bunk Note Credits.

Accessing Bunk1 from a mobile device? The Bunk1 website is mobile optimized. For your convenience, add our Bunk1 icon to your iPhone home screen.
